Ron Graves became a professional motivational speaker after successful careers in the insurance industry and as an enlisted soldier and officer in the U.S. Army Reserves. His 34 years of leadership experience in sales, training and recruiting taught him that too many people give up in the face of adversity. But, those who can maintain a positive attitude through the hardships of life often achieve extraordinary things. Today he inspires business leaders across the country with his own "secret ingredient for success" – A Positively Optimistic Attitude.
